Who God Say I am

Scripture writing plan & Journal

Within our mind rages a war of many voices. This war is being waged on our identity. Sometimes we forget who we are in Christ. We need to remind ourselves daily who we are in Christ Jesus. Satan is constantly fighting believers to cause them to lose sight of their true identity. Bu God is constantly pouring out His grace and reminding us of who we are. God is constantly reminding us to not dwell on failures, but to receive His grace and press on.

When those voices tell you that you a lie, God reminds you of His truth in who He says you are. We are not defined by who the world says we are, we are defined by who Christ says we are! In Him is our true identity.

This scripture plan is just a handful of verses that focus on who Christ says we are. I encourage you to seek a deep meaning of each verse and to search the Word of God di discover an even deeper meaning of who Christ says you are.

God's Word is a weapon against the enemy. These scriptures can be used to speak truth to evil when it comes around trying to speak lies to you or through others to you. Our deepest awareness of ourselves is that we are deeply loved by Jesus Christ and we have done nothing to deserve it! Our identity is found when we stop trying to be who we are, and start being who God created us to be.

Key Verse to Memorize:

But you are a chosen race, a royal priesthood, a holy nation, a people for his possession, so that you may proclaim the praises of the one who called you out of darkness into his marvelous light.
