Loving Others

Traditionally the world celebrates February as the month of love. It can be a very fun and exciting month for those who are in healthy loving relationships. For others, it can be a dreadful month that comes with great sadness and heartache. Jesus says:

³⁹ *The second is like it:*

Love your neighbor as yourself.

Matthew 22:39

This scripture plan explores God's Word for instruction and examples of how we are to love others, to include our enemies. God is perfect love. It is only by allowing Him to fill our hearts can we love others. When we are filled with His love, what do we do with it? God's Word gives us perfect details on how we are to not only love Him, but love others.

Some Questions to ponder during this plan:

- * How does God Love us?
- * How do I love others?
- * Who am I do love?
- * What is the true meaning of loving others?

*And we have come to know and to believe the love that God has for us. **God is love**, and the one who remains in love remains in God, and God remains in him.*
