The Lord is My Shepherd

Scripture writing plan & Journal

The 23rd psalm is among the most famous passages of Scripture. Among Christians, it might be the most often-quoted and frequently-memorized set of verses in the Old Testament.

The themes of comfort, reassurance, and God's provision for His people have resonated with even non-believers across the ages. We are going to spend the next 26 days looking through just 5 verses of scripture. In the scripture plan you will see words in italics. These are the words we are going to focus on in that verse for the day. This plan

starts with understanding who the “shepherd” is and who the “sheep” are.

Through this beautiful metaphor, Psalm 23 gives us invaluable insights into the character of God and His plan for His children.
