

Colossians: All you need is CHRIST!

Colossians 1:24-29

Vision Statement

Paul possessed an extraordinary vision, an inspiring goal that stirred his very soul. This remarkable vision would not materialize on its own; it demanded his unwavering commitment. Now, I ask you: do you share Paul's incredible vision? Do you even have a vision of your own? If yes, can you articulate it, or does it remain a hazy dream? Are you passionately working to bring this vision to life, putting in the effort, or standing still? Are you leaning on God's mighty power or relying on your own strength to see it realized? Spend a few exhilarating minutes and pour your heart out onto the page as you carve your vision in words. What divine purpose has God ignited within you for this life? Embrace the calling that stirs your spirit and makes your soul come alive!
